Purpose and Aim of this Policy

The Harmony Adult All Ability Orchestra is a not-for-profit community orchestra which comprises mainly adults of all musical abilities at an amateur level. Members come in to contact with children and/or vulnerable adults normally through musical performances (generally twice a year). All members attend on a voluntary basis. The Harmony Adult All Ability Orchestra is committed to protecting children and vulnerable adults who perform or work with the group and will respond to any concerns appropriately.

This policy applies to all members (adult, children and vulnerable adults) of the Harmony Adult All Ability Orchestra. This policy will be reviewed annually as part of the AGM and an electronic copy will be displayed on the orchestra's website.

Links to Relevant Guidance

This policy has been drawn up on the basis of law and guidance that seeks to protect children, namely:

- Children Act 1989
- Data Protection Act 1998
- Human Rights Act 1998
- Public Interest Disclosure Act 1998
- Children Act 2004
- Safeguarding Vulnerable Groups Act 2006
- Working together to safeguard children 2010
- Safeguarding Children and Young People July 2014
- Children and Families Act 2014

Steps for safeguarding children and vulnerable adults

- No child or vulnerable adult will be left alone at the rehearsal or performance site; parents or guardians are asked to remain with their child until the DSO or DDSO has

arrived on site; the DSO or DDSO will ensure that parents or guardians collect their child or that appropriate alternative arrangements have been made for the end of rehearsal or performance;

- Children or vulnerable adults will perform as part of the full ensemble or a subset of the ensembles but not on a one-to-one basis;
- For musical performances, all members including children and vulnerable adults will dress in orchestral attire (for example, formal shirt and trousers or knee-to-full length skirt or dress);
- Communication of rehearsal dates, performance venues and any other relevant information will be sent directly to the parent or guardian of child or vulnerable adult orchestra members, normally via email;
- At least two orchestra members will be DBS-checked at all times (this will be reviewed annually at the AGM);

Raising Concerns

The Harmony Adult All Ability Orchestra recognises its duty to report concerns or allegations against any of its members and will use the following process in such an event:

- Take observations/allegations seriously;
- Report any concerns to the DSO;
- Contact the Local Authority for advice;
- Follow the advice provided.

Scope of this Policy

This policy applies to all members of Harmony Adult All Ability Orchestra (including conductor) and all employees of the rehearsal venue who may be on site during rehearsal or performance times.
